Make a poster that reflects your feelings about Year 4.

You may include favourite memories, new skills you have learnt, special friends and challenges that you have overcome. You could draw some pictures and make your poster bright and cheerful.

Worries and Wobbles

We are sure that you will **love** moving on to Year 5. You even get to go up the famous stairs and move up to Upper Key Stage 2! Wow! How grown up!

Sometimes we have 'worries and wobbles' when moving onto a new chapter in our lives. This is totally normal, adults get them too!

Chat to an adult about any worries that you may have and then write your thoughts down.

Look at the worry cloud poster. You may choose to record your thoughts in this way.
