Friday 9th January

Snow day home learning

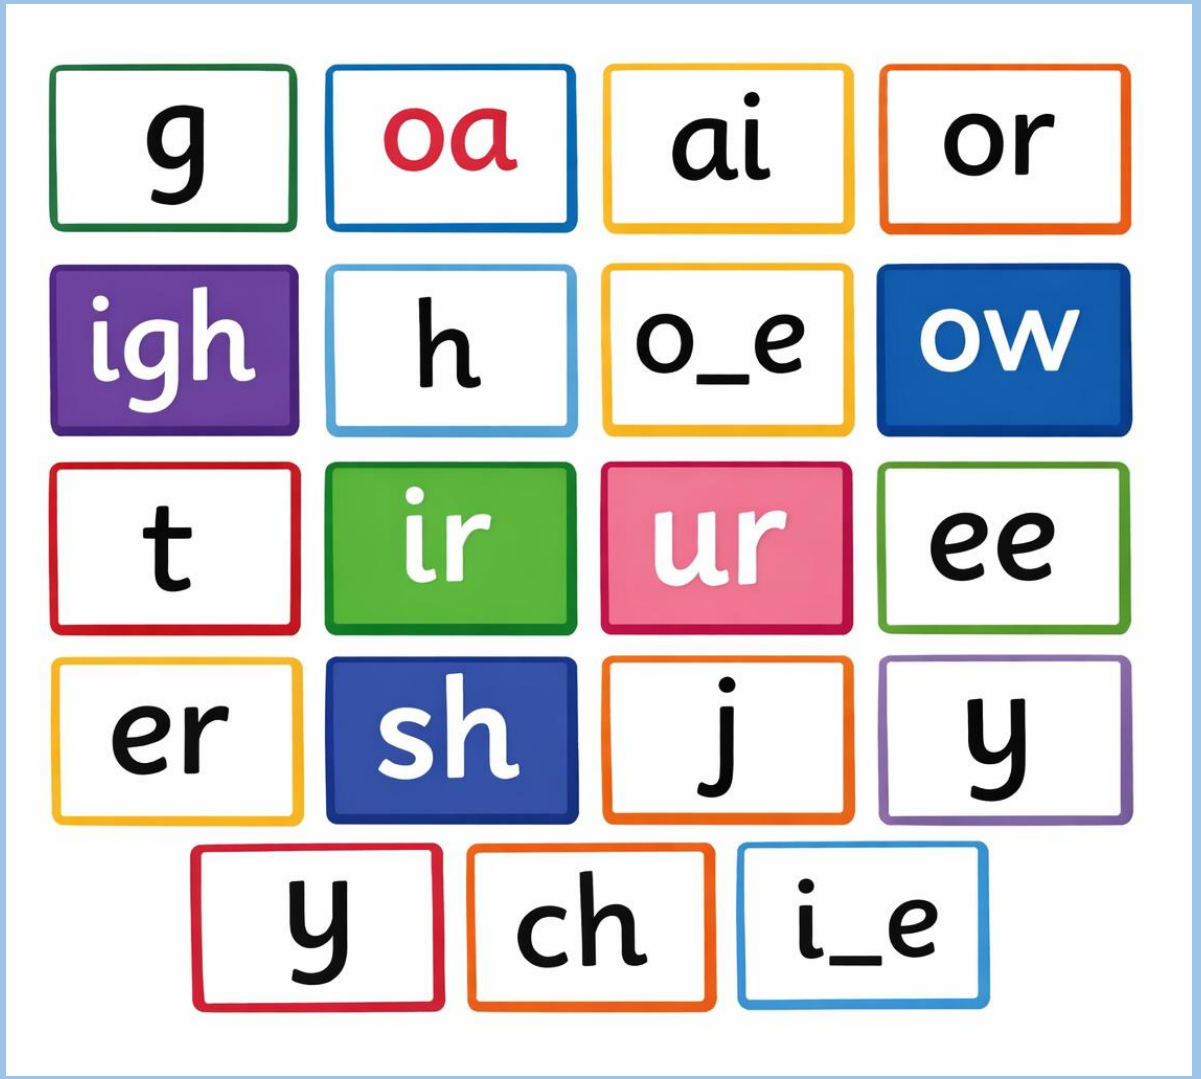

Good morning Year 1!

To support your child's learning at home, here are a few activities your child may enjoy taking part in throughout the day.

To start the day, just like in school, you could practice saying these sounds.

Other activities you could try:

- **Sound Hunt**: Find objects around the house that start with the target sound.
- **Sound Bingo**: Write 5 sounds on paper and tick them off when you say them out loud.
- **Write the Sounds**: Use pencils, crayons, or even **snow** to write the sounds.

Can you practice sounding out these words?
Watch out for **split digraphs!**

a_e
e_e
i_e
o_e
u_e

lake
kite
white
froze
snowflake
snowman

You could:

- Put a word into a sentences and **say it out loud.**
- Draw a **picture** for each word.

Maths

We have set a **MyMaths** *for today all about* **sequencing evening.**

There is a short lesson and task to complete.

We use the words **yesterday**, **today** and **tomorrow** to talk about things that happen to us...

Draw or make your own **snow monster.**

A monster Bo the Brave would like to catch.

Challenge:

You could have a go at **talking** about your snow monster to describe it.

My monster lives in a cave.

It loves to play in the snow.

Sentence starters:

My snow monster lives _____.

It has _____.

Its loves to _____.

Snow Day Fun Activity

Enjoy some time outside in the snow:

- Build a snowman or a snow creature,

- Look closely at the snow and talk about how it feels and what happens when it melts.

- You could go on a snowy scavenger hunt.
