

ST CATHERINE'S CE PRIMARY SCHOOL

SPANISH CURRICULUM OVERVIEW

At St Catherine's, our vision to "love like Jesus with our heads and our hearts" underpins our approach to learning Spanish. Through the study of a new language, children are not only developing communication skills and cultural knowledge (head), but also growing in empathy, curiosity, and respect for others (heart). Learning Spanish opens windows into other cultures, encouraging children to appreciate both the similarities and differences between themselves and others. This deepens their understanding of global communities and fosters a spirit of inclusion, dignity, and love; values at the core of our school family.

In Spanish lessons, children build resilience as they practise speaking and listening in a new language, celebrating mistakes as part of the learning journey. Through songs, games, stories, and conversations, pupils grow in confidence, perseverance, and joy; expressing themselves creatively while learning to value every voice.

By learning Spanish, our children are empowered to become compassionate global citizen; loving with their hearts and thinking with wisdom, as they connect with the wider world beyond our school walls.

St Catherine's CofE Spanish Progression Map

		Write down words when spelling is dictated by the teacher	correct order) Recognise that words do not always have a direct equivalent in English & vice versa	language (word order, future intent, question formation, connectives) Analyse the text and identify the key features and explain how they are different to English
--	--	---	---	---

Our Intention is to ensure that the children at our school:

- **Enjoy it**
- **Believe they can do it**
- **See the purpose in it**
- **Do it confidently**
- **Can do it now, tomorrow and forever**

Every subject, every cross- curricular theme, every aspect of our work is an 'it'!
Every child has at least one 'it' – we need to find it!
