Hello Year 2!

We hope you have all had a lovely Easter and enjoyed spending some quality time with your families. We are missing you all very much and hope you are keeping safe at home!

We have put together some work packs for you to do over the next few weeks and we have tried to replicate the year 2 daily routine.

We have planned the following lessons for you to complete each day.

Daily routine

Morning maths (10-15minutes)	**Maths lesson** *some lessons will require children to access their MyMaths accounts.	**Spelling lesson or phonics lesson** (15-20minutes)	**English lesson**	**Foundation subject lesson** (Science, history and Heartsmart)

Each subject area has its own PowerPoint with instructions for what to do within each session.

We have planned a range of Science, History and Heartsmart lessons for the children. These would normally be our afternoon sessions at school and can be carried out in any order you would like to complete them in.

We look forward to hearing how you get on.

Stay safe and take care.

Mrs Stevens and Mr Crump ☺
