Hello Year 2!

We hope you are all keeping well and staying safe.

Following the recent news that year 2 will not be returning to school on June 1st, we will be continuing to create work packs for the children to complete at home. We have now uploaded two more weeks' worth of activities. Please note we have not provided work for the half term week. (wc25.5.20)

Following feedback we received from a few parents, we have provided the work packs in both PowerPoint and PDF format where possible. As before, each subject area has its own PowerPoint/PDF with instructions for what to do within each session.

The work packs continue to replicate a typical day in year 2.

Daily routine

Morning maths (10-15minutes)	**Maths lesson** *some lessons will require children to access their MyMaths accounts.	**Spelling lesson or phonics lesson** (15-20minutes)	**English lesson**	**Foundation subject lesson** (History, Art and PE)

We have planned a range of History, Art and PE lessons for the children. These would normally be our afternoon sessions at school and they can be carried out in any order you would like to complete them in.

We look forward to hearing how you get on.

Please continue to stay safe and take care.

Mrs Stevens and Mr Crump ☺
