Session 1

Digraph

oy

Toy for a boy.

Split Digraph

i _ e

A diagram showing the letters 'i' and 'e' in a purple serif font, separated by a horizontal line. A brown bracket is positioned below the line.

Nice smile.

The words 'Nice smile.' are written in a white sans-serif font. The 'i' in 'Nice' and the 'e' in 'smile' are highlighted in purple. Brown brackets are placed under each of these purple letters.

1. Sound out these words aloud.
2. Write each word and add sound buttons. Can you spot the digraph in each word?

For example, **smile** **toy**

The word 'smile' has three yellow circles (sound buttons) under the 'i', 'l', and 'e'. A bracket connects the 'l' and 'e' buttons. The word 'toy' has one yellow circle under the 'o' and a horizontal line under the 'y'.

Can you be a detective and see how many 'oy' and 'i_e' words are in this story?

I enjoy playing hide and seek with my five friends outside in the garden. The best hiding place is under the slide.

I feel annoyed when it is raining because we can't go outside to play. I am lucky because I have lots of toys inside my house. I sometimes let my sister play with them but she did destroy my remote control motorbike last week. She drove it straight into the wall! It did make me smile.

Silly sentences!

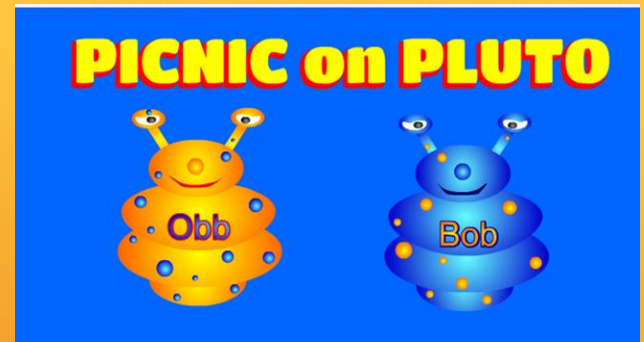

Write some silly sentences of your own using words with either an 'oy' or 'i_e' sound in.

Here's an example...

Nine mice were flying a kite. The cowboy was full of joy when he won his prize for the best slide.

Remember to start each sentence with a capital letter and end with a full stop.
