

wc 29.6.20 Science

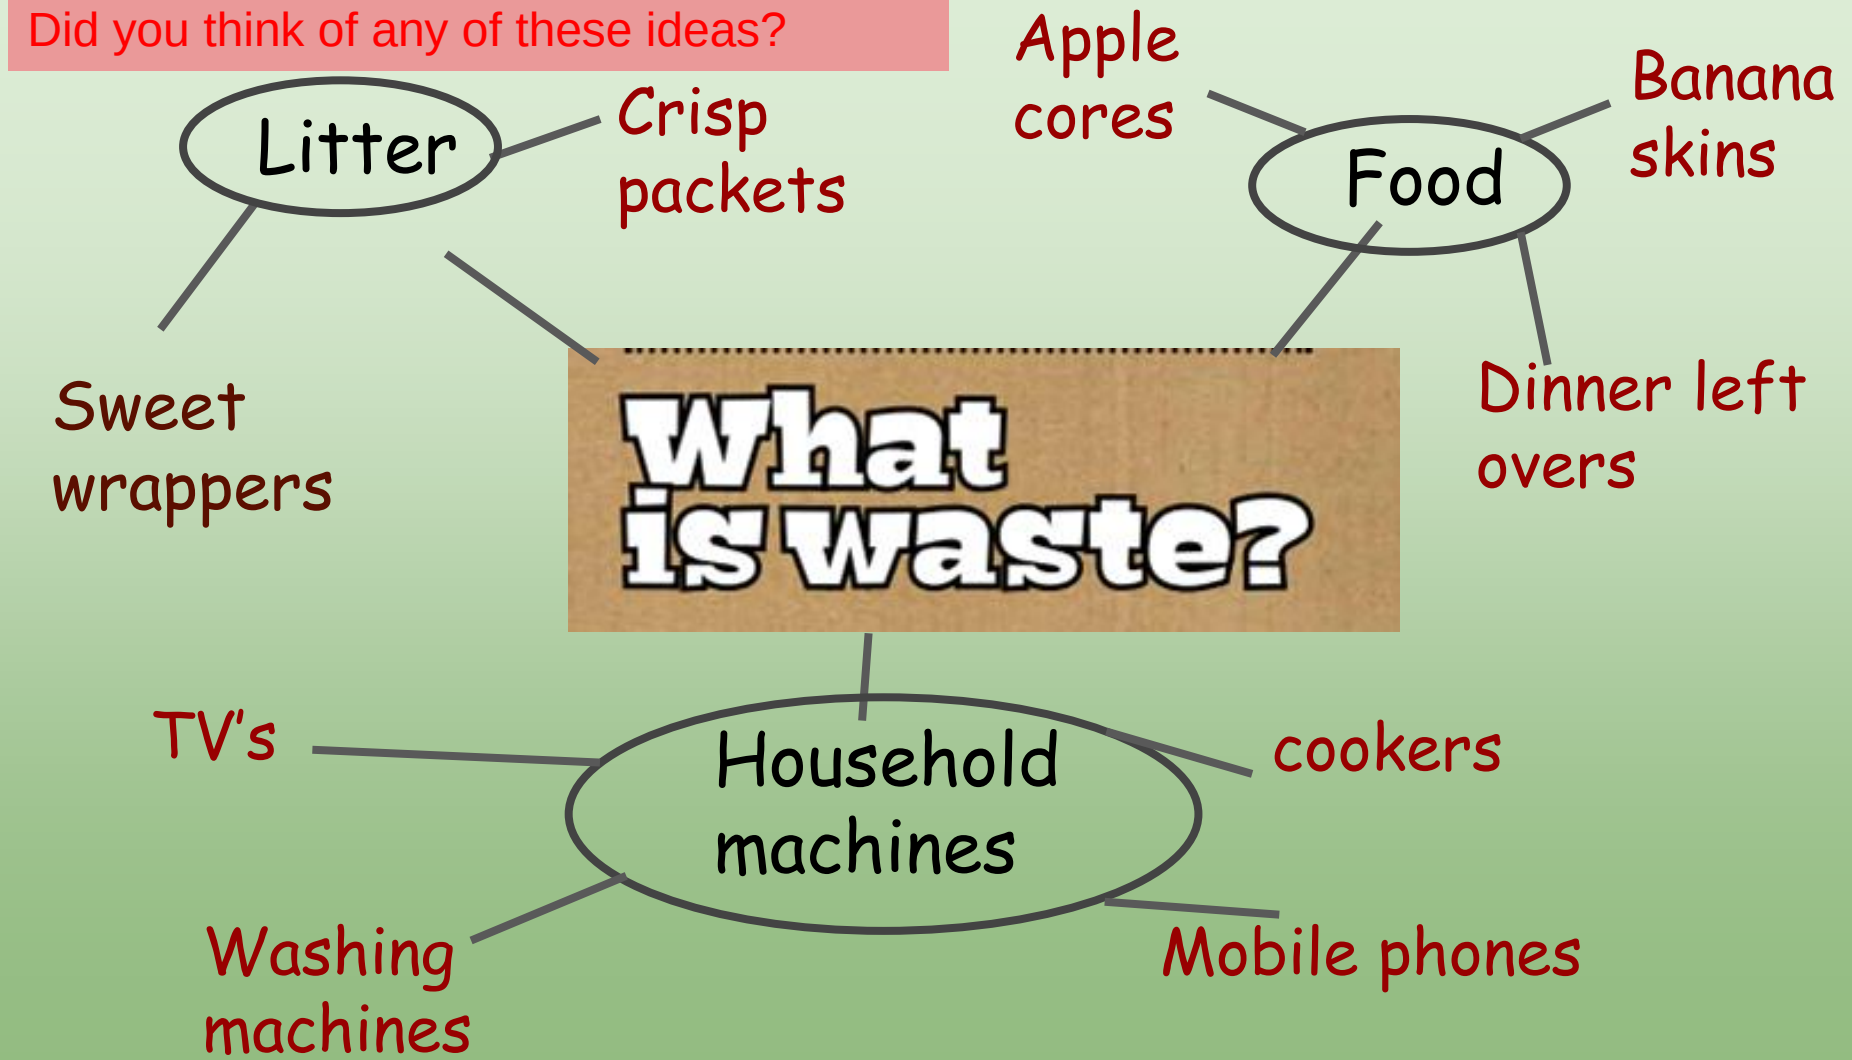

These science lessons are linked to the book we are reading in our English lessons this week.

Session 1
Discussion

What do you understand by the word ‘waste’?
What type of things might be waste?
Jot down your ideas.

Did you think of any of these ideas?

What should I do with my rubbish?

https://www.bbc.co.uk/bitesize/clips/z9p9j6f

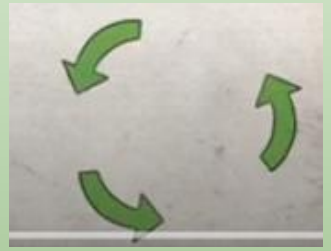

Reduce

Recycle

Reuse

One way we can help look after our planet is to follow the 3 R Rules.

Watch these links to find out more about how we can all do out bit!

https://www.youtube.com/watch?v=OasbYWF4_S8

https://www.youtube.com/watch?v=Q0Nq4b_07Fc

Task 1

Can you think of an example of how you can reduce your waste?

It might be something you do already or something new you think you could try to do.This could a personal challenge or something your family could do together. Draw or write your ideas down and discuss them with your family. Every little helps!

Reduce

Session 2

What happens to all our rubbish?

https://www.youtube.com/watch?v=SSIVXZrWMK4

Recycle

On the next slide, there are some items that need to be recycled. Can you sort them into the correct bins?

You might find it easier to draw a box for each recycling bin on a piece of paper first. Then you can write or draw the items that go inside each one.

<u>Challenge</u>
Can you think of another item that could be put into each bin?

Les Miserables
ADMIT ONE

Cans

Paper and Card

Plastic

Compost

Glass

Clothes

Session 3

Let's recap on the 3 R's

https://www.youtube.com/watch?v=qtyBzFV9yTs

Reuse

Task

Make your own Rubbish Monster.

Using items from your recycling bin, design and create your very own Rubbish Monster.
Don't forget to give them a name!

Remember

Before using anything from the recycling bin, check it is ok with an adult at home.
