

Reception's Daily challenges *Week 10 & 11*

You can choose to record how you have completed these challenges in whatever way works best for you.
You may want to take photos, draw/write/video.
These are just suggestions – you do not **have** to record it at all if you choose not to.

We can't wait to see how you have got on! 😊

Week 10

What can you do in 1 minute?

For example:

Have a guess (estimate) how many star jumps you can do in 1 minute and time it.

You could ask a grown-up to time you using their phone or use a stop-watch if you have one.

See how many different things you can do in 1 minute 😊

Teddy bear's picnic

When you have lunch today could you make it into a 'picnic' and allow your teddies or favourite characters to join?

You will need to create invites to tell them they are welcome to join you 😊

Find out from your grown-up what you are having for lunch so you can add it to the invitations.

You may want to help your grown up by helping prepare lunch.

Toy sorting

You will need to choose some of your favourite toys for this activity.

Can you sort these toys by the following:

Big toys / Small toys

Old toys / new toys

Sort by the colour of the toys

Sort by the shapes of the toys

Hot or cold game

You can take it in turns with someone else who wants to play this game.

One of you needs to hide something in the house/garden (without letting the other person see).

That person is now going to try and find the hidden item and you must give them clues as to whether they are close to the hidden item or not by saying warm (for nearby), hot (for close), boiling hot (for very close!) and cold (for no where near).

Paper aeroplanes

Have a go at making a paper aeroplane and see how far it travels when you throw it.

If you have chalk at home you could put chalk marks on the floor outside to show where it lands.

Week 11

How could you make someone smile today?

Tortoise wrote a letter.

Tortoise sang a song.

Tortoise made
a funny face.

That made
Hedgehog laugh.

Watch this lovely clip to remind you of ways to make someone smile. Have a go at as many of these things as you can, if not all of them! 😊

Rock creatures

See if you can find a nice, smooth pebble/rock in the garden or whilst out walking to transform into a creature.

How to Play Kim's Game:

- Collect 5 or more objects with your child.
- Hide them under a tea towel or cloth.

- Remove 1 object without showing your child.
- Reveal the objects that are left and ask your child to guess which object has been taken.
