Writing in Reception

Notes for parents

Letter formation

It is really important that the children are forming their letters correctly, starting and finishing in the correct place.

Please support your child with this

Writing in Reception

Notes for parents

In Reception we use 'garden writing' handwriting lines to explain to the children which letters need to be tall and which have tails under the line.

Writing in Reception

Notes for parents:

Please remind your children to use finger spaces between each word.

The dog is on a log.

Five cartoon-style hands are positioned below the sentence, with each index finger pointing to one of the words: 'The', 'dog', 'is', 'on', and 'a'. The word 'log.' is not pointed to by a hand.

Writing in Reception

Notes for parents

When writing sentences, your child will not always spell words correctly. We encourage the children to have a go independently, using the newest sound mats to help them. They will need to segment (sound out the word) and then choose the correct digraph/trigraph/split digraph to write. i.e. when writing the word 'teacher' your child needs to break the word down as:

t – ea – ch – er

There are different ways of writing 'ea' and 'er' so if they write: 'teechur' they will have used their phonics knowledge to select the appropriate sound however in this instance they have choose the wrong grapheme. This is reasonable for your child's age.

If your child writes:

'taicher' you will need to talk them through what they have written and explain that 'ai' is not in teacher it is in fact the 'ea' sound. Look together to find the 'ea' 'ee' sounds on the sound mat and this will help them for next time.

Friday: Things I am looking forward to and any worries I may have...

Although growing up and moving to Year 1 can be very exciting, you may also be feeling a little nervous as you are not sure what to expect.

Today's Task 1:

Today we would like you to first think about what you are most looking forward to about being in Year 1.

It may be that you are excited about having your own drawer to put all of your belongings...

You might feel very grown up to have your own table space in the classroom...

Maybe you are eager to find out what new things you will learn about in Year 1?

Friday: Write your worries away...

Today I would also like you to have a think and discuss with your grown ups at home any worries you may have about moving to Year 1.

Hopefully your grown up will be able to reassure you and find solutions to help you with these worries however, it may be that you have to wait until you start school in Year 1 before your worries disappear. 😊

Today's task 2:

Write down any worries you have and put them into a jar to make your own 'worry jar'.

When you feel your worry has gone away you can tear them up and hopefully your worry jar will be empty! 😊
