

Welcome to Year 1

Hello and welcome to Year 1!

We are really excited to meet you all in September. We know some of you have been at home for a long time now and you may be feeling nervous about coming back to school. That is ok. We are here to help you and make you feel a little happier 😊 It will be great for you to see all your friends again. We are sure there are lots of things you want to tell each other.

In Year 1 the teachers are Mrs Ross and Miss Wheeler (1R) and Miss Townsend (1T). The other adults working with us are Mrs Donaghy, Miss Seagrove and Mrs Jones. We love being in Year 1 and we have some wonderful things to teach you. One of our most favourite things we can't wait to share with you is our love of books! We are always looking for new books to read to our classes.

You are about to spread your wings and move from Reception to Year 1, just like a beautiful butterfly! Over the Summer we would love you to decorate a butterfly template or make your own. You can simply colour it or you may like to stick things to it. Bring your butterfly to school with you in September. Our plan is to make a beautiful display in school for everyone to see. Don't forget to write your name on the back. We have uploaded a butterfly template for you to use or you can create your own.

Have a great Summer, be safe and have fun. We look forward to welcoming you into school in September.

Best wishes and bye for now

from the Year 1 staff.
