St Catherine's CofE Primary School

SPIRITUALITY IN COMPUTING

Opportunities

- Wonder and awe at human creativity
- Appreciating beauty in digital creation
- Exploring identity and purpose
- Relationships and respect
- Moral choices and responsibility
- A sense of achievement and purpose

With Our Heads and Our Hearts

Computing helps us see the creativity and brilliance God has given us. We use our hands to design, code, and create—and our hearts to share beauty, kindness, and truth. Just like Jesus, we are called to use our gifts wisely and care for others in the digital world.
