St Catherine's CofE Primary School

SPIRITUALITY IN MATHEMATICS

Opportunities

- Growth Mindset and Reflection
- Inclusion and Equal Opportunity
- Collaboration and Community
- Celebration and Gratitude
- Maths as a Spiritual Practice

With Our Heads and Our Hearts

Maths helps us understand the order and patterns God has placed in the world.

We use our minds to solve problems, think clearly, and work carefully.

Just like Jesus, we are called to be honest, diligent, and use our gifts to serve others.
