Print or copy out the cards from the work pack.
Put the root words in one pile and the prefixes in another.

Shuffle them and turn them upside down.

You and your partner now need to make some **real** words

Choose one card from each pile and put them together.
Have you made a real word?
If you have you score 1 point.

Turn them all over and see who has the most points when all the cards have been turned over.
