Hello team! We are going to be looking at homophones!

You have done a great job with remembering homophones throughout Year 4 already, here are some different ones and some games, tips and activities to remember how to spell them!

weather	whether	who's	whose
medal	meddle	missed	mist
team	teem		

01.06.20

Let's look at one in a bit more detail...

First the dictionary definition:

weather - refers to the day-to-day temperature and precipitation (rain, snow, sleet) activity.

e.g. The weather was lovely so I hung my washing out to dry

whether - comparing two statements.

e.g. I didn't know whether to wear my gloves or my hat

01.06.20

Activity 1

Using a dictionary, find the meaning of each of the homophones in today's list.

Write them out as your own mini dictionary.

Save it for tomorrow as you will need to understand the meaning of the words!

weather	whether	who's	whose
medal	meddle	missed	mist
team	teem		

Activity 2

Write each word out 6 times, correctly, to practise the correct spelling of the word. Remember to use your neatest, joined writing so your muscles in your hand remember how to spell them correctly.

SPELLING

weather	whether	who's	whose
medal	meddle	missed	mist
team	teem		

Using your definitions you wrote out yesterday, today we would like you to write some sentences using the different homophones.

These sentences need to make sense and **be spelt correctly!**

e.g. For being the fastest swimmer, I won a gold medal

03.06.20

It was a great day for a game of footbawl. The whether was fine and the game had already started when Joe arrived. 'Whose in goal?' Joe asked his neighbour just as the centre forward mist the goal. At the end of the game the meddles were awarded to the winning teem. 'It's not fair!' the losing teem cried as they went home with nothing.

ARGH! There are quite a few incorrect homophones here!!

It's awful! We need you to rewrite this paragraph correctly!

PLEASE....these sentences are sick!

SPELLING

weather	whether	who's	whose
medal	meddle	missed	mist
team	teem		

Draw these words!

From what you have learnt from the meanings of these words draw a picture around the word to help you remember its definition and how to spell it.

SPELLING

The next few sessions we are going to be thinking about how we add the suffix **-ous** to a word.

Today we will look at adding **-ous** when it **doesn't** change the root word!

mountainous

perilous

poisonous

hazardous

synonymous

joyous

scandalous

riotous

dangerous

momentous

04.06.20

SPELLING

root word		suffix		
joy	+	-ous	→	joyous
poison	+	-ous	→	poisonous
mountain	+	-ous	→	mountainous

What happens to the root word when the suffix -ous is added to it in these words?

Nothing! The suffix -ous is added straight onto these root words.

It changes a noun into an adjective

04.06.20

Practise spelling these new words! You need to add **-ous** to these root words to change them

First, practise a line of **-ous** to ensure you're joining it correctly

danger

peril

hazard

moment

riot

scandal

poison

joy

mountain
