

Hello Year 4!

We hope you are happy and continuing to keep safe!

We have set up your topic learning for the next week as slides for you to follow.

There will be a mixture of History, Geography, Art, HeartSmart and PE.

Miss Hill and Mrs Tally

Monday 29th June

This week we will link our art work to the book you are focusing on in English.

You will need some plain A4/A3 paper, a pencil and some bright pens or pencil crayons.

We will sketch fish and other creatures from the sea.

Monday 29th June

Watch the following clips and enjoy learning how to draw the following sea creatures.

Sea Turtle

Tuesday 30th June

Geography

How are beaches made?

Watch the clip below. It is an explanation of the process of beach formation, from rocks into sand. When the sea erodes the cliffs, large rocks fall away and into the sea. These rocks are tossed about by the action of the sea and they are eroded into smaller and smaller pebbles. The pebbles are eventually ground down into the tiny grains of sand that form a beach.

Record your learning-

You could make a poster to explain how beaches are formed or draw diagrams and label them.

Wednesday 1st July

British coastlines

Click on the link below to see the coastline of Britain. You can click on the blue dots to identify the beaches.

Answer the following questions...

Look at the map and find your closest beach.

How far away is it?

How could you travel there?

How long might the journey take?

We
are
here!

<http://www.british-coast-maps.com/>

We continue to focus on our theme-
'No way through isn't true'

Can you think of a time where you found something really challenging?

Maybe school work was tricky or you had friendship troubles. Maybe you fell out with your parents or siblings and got very upset about it. Sometimes it's easy to feel like there is 'no way through'. It's important that young people learn that 'no way through isn't true'. Spend time reflecting on a time that you felt overwhelmed or that something was impossible.

Record your thoughts and feelings as well as how you showed resilience and overcame the situation.

Friday 3rd July

Physical Activity

Here are some great youtube clips that you can follow for PE this week.

Do one or do them all!!

Maybe get a parent to join in with you!

Have fun!
